

Hutt Bridge Club

2025 Programme

**Hutt
Bridge Club**

The motif on our logo is a Mangopare / spade. It's the symbol for a hammerhead shark in Māori, which represents strength, leadership, determination and a fighting spirit. Although there are other meanings, these best describe the competitive and social aspect of our game.

The colours introduce the green of the hills and the blue of the Te Awa Kairangi / Hutt River and Wellington Harbour.

The logo gives a nod to the spade and blue of our previous logo, and the stylized cards and colours also acknowledge New Zealand Bridge.

You might also notice a diamond, as the dot over the letter 'i' in the wordmark.

We acknowledge Manu Schuster, the creator of this motif and brand.

General information

Playing programmes

- Monday and Friday afternoons **1pm**
- Tuesday, Wednesday and Thursday evenings **7pm**

Note: Players are asked to be seated **15 minutes** before the scheduled start of play.

Online bridge run by Wellington Bridge Club

This is available all year courtesy of Wellington Bridge Club, using the RealBridge platform. Sessions are available on Friday, Sunday and Monday evenings – see the links on the home page of Wellington Bridge Club's website. **Note:** that any NZ Bridge member is eligible to play in these sessions but only members of Wellington or Hutt Clubs are eligible for prizes.

Other regular HBC sessions may be taken online if face-to-face bridge is disrupted, like it was for COVID-19.

Table money

Table money is set by the Club and is payable at all sessions unless otherwise advised. Our preferred payment method is by direct debit, EFTPOS or online banking. See the Manager for setting up your direct debit payment.

Visitors

Visitors are welcome. The number of times visitors can play in a year depends on their situation. Ask the manager for more information. Visitors and their partners will not be eligible for prizes or trophies. Normal table money is payable.

Affiliated members

Affiliated members may play up to eight times a year. They're recognised with a * next to their surname in the membership list.

Results

Results are posted on the Club's website and on the notice board. Any queries should be lodged as soon as possible with the Manager.

Substitutes

One substitute is allowed for a partnership in a three or four session event. A substitute may not play on behalf of a member present at a session. When two pairs require a substitute, the two individuals present may play together and act as 'double substitutes' with the score, if eligible, counting for both pairs.

Systems

Any system permitted by NZ Bridge may be played at any playing session. However, in fairness to our junior players, we would appreciate if experienced players did not use more complex systems on Wednesday nights.

Director

The Director controls all aspects of the play. Please call the Director promptly if there may have been an infringement. Failure to call the Director may mean forfeiture of rights.

The Director's rulings may be appealed. A decision to appeal should be communicated to the Director within 15 minutes of the start of the last board of a session.

The Director will appoint an Appeals Committee from the members playing and the appeal will be heard at the end of play. If this timeframe isn't possible, you can lodge your query/appeal with the Manager at the first possible opportunity. It will be referred to the Club's Appeals Director for consideration.

Playing committees

Each playing programme is supported by a small playing committee. They organise the tea and coffee, read the weekly notices, and are responsible for the security of the premises. They are the health and safety wardens for that session.

Timekeeping

This is an important responsibility for each of us. For all sessions apart from Wednesday, the time allowed to play a board is 6 minutes, with a minimal move time to each new table. This will help Directors ensure each session runs smoothly and as planned.

General conduct

Hutt Bridge Club's Mission Statement is *"To provide people of all ages with an opportunity to participate in a stimulating recreational activity in a supportive and welcoming environment."*

The Club promotes behaviour consistent with this objective at all times, at the table and around the club. If a player at a table behaves in an unacceptable manner, please call the Director immediately. Conduct that might interfere with the enjoyment of the game is specifically prohibited by Law 74A and Law 91A gives the Director the authority to impose disciplinary penalties.

For behaviour away from the table you think is unacceptable, please write to the Committee with an account of the incident. The Committee takes all complaints seriously and your privacy is assured.

Club recorder

The Club Recorder may be approached confidentially to raise concerns about a member's behaviour, deemed to be in breach of the laws of the game, if the person doesn't wish to raise it with the Director.

The Club Recorder may approach the member concerned or deal with the matter as they think fit. The identity of the member raising the concern will remain confidential.

The Club Recorder does not replace the Director, the appeals system or the Club's disciplinary process. For further information contact the Manager.
